

Afternoon Tea

Tea consumption increased dramatically during the early nineteenth century and it is around this time that Anna, the 7th Duchess of Bedford is said to have complained of "having that sinking feeling" during the late afternoon. The solution for the Duchess was a pot of tea and a light snack. Before long all of fashionable society was sipping tea and nibbling sandwiches in the middle of the afternoon and this tradition continues.

A choice of fine Brodie's tea or coffee

Tea stand of Victorian style freshly cut finger sandwiches, including smoked salmon, cucumber, ham with mustard and egg and cress mayonnaise
